

ICARUS CANOPIES LOGO COLORING GUIDELINES

If you want to get the Icarus Canopies logo embroidered on your jumpsuit or printed on clothing please adhere to our coloring guidelines below.

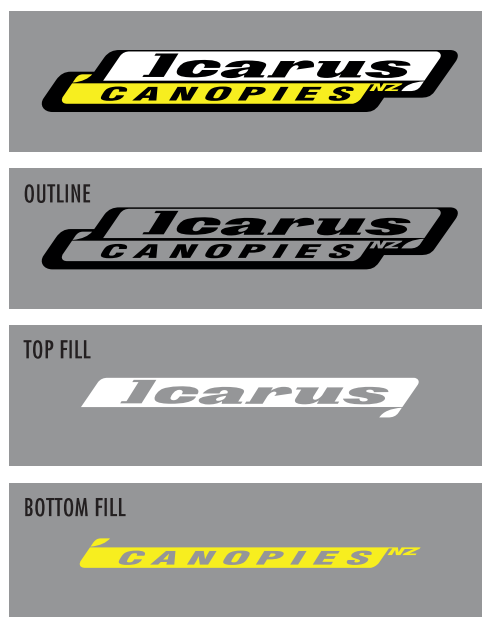

THREE COLOR OPTION

The logo is divided into three different elements, each of which can be a single color. The elements are the **outline**, the **top fill** and **bottom fill**.

The **outline** refers to the words 'Icarus' and Canopies' and the lines surrounding them. It **must be black**.

The **top fill** refers to the upper section fill in and this must be white.

The **bottom fill** refers to the lower section fill in and can be a colour of your choosing.

TWO COLOR OPTION

This must **always be on a black surface/fabric**.

The logo is divided into two different elements, each of which can be a single color. The elements are called **top fill** and **bottom fill**.

The **top fill** must **always be white**.

The **bottom fill** refers to the lower section fill in. We like it to be Icarus yellow, but it can be your team colour if you prefer.

ONE COLOR OPTION

The one color logo consists of only the **outline** and can be in a colour of your choosing.
